

Sri B. D. JATTI.—That is not correct Sir. That may be the opinion of the Hon'ble Member. The Planning Commission has informed us that they would give money for running the industry this year also.

Sri C. J. MUCKANNAPPA.—I want to know what are the other reasons compelling this State Government to hand over this undertaking to the Government of India?

Sri B. D. JATTI.—By running the Kolar Gold Mining Undertakings either departmentally or on behalf of the Corporation, if it is going to be the beneficial, that is also one of the reasons in addition to that.

Sri J. B. MALLARADHYA.—Is the Hon'ble Chief Minister aware that in the Central Budget the usual subvention in regard to the difference in the price of gold does not find a place and therefore it raises an apprehension that the Government of India have already taken a decision that it would be handed over?

Sri B. D. JATTI.—As far as I know, we have got the intimation only some two days back that they are going to provide money for this year also.

OPENING OF GOVERNMENT HIGH SCHOOL AT CHOWLHIRIYUR IN KADUR TALUK.

*Q.—378. Sri D. H. RUDRAPPA (Birur).—

Will the Government be pleased to state:—

(a) whether they have received any representation from the people of Kadur Taluk, requesting them to open a Government High School at Chowlhiriyur;

(b) if so, whether they intend to open the school at the said place;

(c) whether the people have fulfilled the required conditions for starting the High School by Government;

(d) if so, the reasons for the delay in opening the same?

A.—Sri ANNARAO GANAMUKHI (Minister for Education).—

(a) Yes.

(b) No, as it is the policy of Government to encourage private enterprise in the field of Secondary Education.

(c) & (d) The villagers have collected Rs. 33,000 and promise to provide 25 acres of land. However that does not automatically make Government liable to open a High School.

Sri D. H. RUDRAPPA.—May I know when this policy was given effect to?

† Sri ANNARAO GANAMUKHI.—This policy was enunciated from 5th January 1960.

Sri D. H. RUDRAPPA.—Is it after satisfying the needs of all the constituencies of the respective Ministers that this policy was brought into effect ?

Sri ANNARAO GANAMUKHI.—After 5th January 1960 we have not opened any high schools Sir.

Sri B. SHANKARAPPA.—What is the basis on which the villagers have deposited a sum of Rs. 33,000 with the Government Sir ?

Sri ANNARAO GANAMUKHI.—There was a former understanding prevailing in the public that if they deposit a sum of Rs. 33,000 and also donate 20 acres of land, Government will grant a high school.

Sri B. SHANKARAPPA.—Is it not a fact that Government have given false hopes to the villagers and encouraged them to collect monies on that impression ?

Sri ANNARAO GANAMUKHI.—It is not compulsory on the part of the Government to give a high school in every case. It is their practice generally to deposit money and then ask for a high school.

Sri G. SIVAPPA.—Is it not a fact that Ministers and big officers in the District also have given this hope to the villagers not merely orally, but in writing also. Myself and my friends have met the Revenue Minister a number of times. Is it not a fact that high officers in the District level and also at the Divisional level that they have given hopes to the public that if they deposit this amount and a site, the Government will grant a high school ?

Sri ANNARAO GANAMUKHI.—That was the impression prevailing.

Sri G. SIVAPPA.—It was not merely an impression. Speeches were being made at functions and it was given in writing also. Is it not the bounden duty of the Government at least in such cases to view the question of granting high schools favourably ?

Mr. CHAIRMAN.—That is a suggestion that can be considered by the Government.

Sri G. VENKATAI GOWDA.—Is it not a fact that the Minister for Education made a statement to the effect that they are going to start 200 high schools during the Third Plan and if so, in which areas they are going to be started and is it on Government initiative ?

Sri ANNARAO GANAMUKHI.—My statement was that 200 high schools will be helped by the Government if private managements come forward to start high schools.

Sri G. VENKATAI GOWDA.—Is it the policy of the Government that they are not going to start any more high schools in the State ?

Sri ANNARAO GANAMUKHI.—The proceedings of the Government of Mysore are clear. While enunciating the principle that new high schools cannot be opened, the public will be duly assisted by the Government if they start high schools. At the same, it is said that Government High Schools should be started only to such places which are backward areas, or for the advancement of girls education or other strong reasons warranting such a course, subject to the availability of funds.

Sri G. VENKATAI GOWDA.—Have the Government made a survey as to which are the areas which are backward in order to come to a conclusion that Government high schools should be opened in those areas?

Sri ANNARAO GANAMUKHI.—Every area has to be judged on its own merits.

ಶ್ರೀ ಕೆ. ವಿ. ರೇವಣಸಿದ್ಧಪ್ಪ.—ನರ್ಕಾರದವರು ಒಂದೇ ಪಾಲಿಸಿ ಮಾಡಲಿ. ನರ್ಕಾರದವರು ಜಾವಗಲ್ಲಿಗೆ ಒಂದು, ಜುಖಂಡಿಗೆ ಒಂದು ಕಾನೂನು ಮಾಡಿ ಕೊಟ್ಟಿದ್ದೀರಲ್ಲ, ಕಾರಣವೇನು ?

ಶ್ರೀ ಅಣ್ಣಾರಾವ್ ಗಣಮುಖಿ.—ಅದು 5-1-1960ರ ಗವರ್ನಮೆಂಟ್ ಆರ್ಡರ್ ಅಗುವುದಕ್ಕೆ ಮುಂಚೆ ಕೊಟ್ಟಿದ್ದು.

Sri D. H. RUDRAPPA.—Do the Government consider all aspects such as backwardness of areas and deviate from their policy and sanction a high school to this place this year Sir?

Sri ANNARAO GANAMUKHI.—I cannot straightaway state that we will grant a high school to this particular place. It will be considered.

Sri G. DUGGAPPA.—Considering the fact that Chowhriyur is a very remote place in the malnad area and that the people have come forward with their part of money by collecting Rs. 33,000 do the Government consider its case for opening a high school sympathetically.

Sri ANNARAO GANAMUKHI.—I have already answered that it will be considered.
